C. B. LEWIS.

Geographical Sketch of "The Great West."

Class B. Lewis, of "The Great West" paper, has made the Missouri River paper famous for his geographical sketches. He has a vast store of facts and figures, and his sketches are as accurate as they are interesting. He has been a reporter for the Missouri River paper for many years, and his sketches are as accurate as they are interesting. He has been a reporter for the Missouri River paper for many years, and his sketches are as accurate as they are interesting.
